

COCHIN – HOUSEBOAT – MARARI BEACH - COCHIN

Day 1 : Cochin - Houseboat

Today you will drive to Alleppey to board an exclusive Houseboat for a cruise through Vembanad Lake followed by overnight stay on board. Your meals will be freshly cooked and served on board. Overnight on houseboat.

What is truly magical about a houseboat is the breathtaking view of the untouched and otherwise inaccessible rural Kerala that it offers. The houseboats have all the creature comforts of a good hotel including furnished bedrooms, modern toilets, cozy living rooms, a kitchen where are cooked on board and supplemented with fresh fish from the backwaters. Today, the tradition

is still continued and the food from the local cuisine is served by the Kuttanad locals, on board. The name Backwaters brings you the very thought of Houseboats. Food and leisurely times spent on-board with the feeling and privacy of house as well as enjoying the natural beauty. A Cruise amidst marvelous mangrove forests, captivating coconut canopies, swaying palms, mangrove forests, pulsating paddy fields sprinkled with enchanting waterways and canals decked with white lilies, can be quite a rejuvenating experience for the weary traveler. Enjoying a cruise in these backwaters is not to be missed, as it leaves you feeling fully rejuvenated. The banks of these backwaters in Kerala are the most enchanting picnic spots. You get to experience the native way of living. The experience on the Houseboat is not the one to be explained by words. Its to be lived and evolved by yourself

Day 2 : Alleppey-Marari

After breakfast on board, drive to Marari Beach. Check in time is 2 PM but we will try our best for early check in. You may spend some time at the organic farm inside the resort and also visit the butterfly garden. You may also opt Ayurvedic Massage at the Resort. Overnight at Resort.

Marari Beach is an endless vista of sand and surf, but it is more. An authentic experience of the world of Kerala's traditional fishing villages, and a recreation of an ancient, harmonious way of life. The village of Mararikulam lies on a forgotten shore, midway up the Malabar coast, where the Indian Ocean finally decides that it has now become the Arabian Sea.

Marari Beach is considered to be the most private and serene beach on the shoreline of Kerala. The friendly villages around and the rich life make things more vibrant for a traveler. Marari Beach is always a favourite destination for travelers who like to be on leisure and just doing nothing becomes a habit here. One can walk

around the villages, join the fishermen in their fishing habitats.. Its all interesting and full of life. Excellent options for Ayurveda also makes this destination favourite of many. And beyond is a milk-and-azure ocean, fringed by a beach more ochre than yellow, a sand-meets-sea combination you're not likely to find anywhere else. And the alluring sea food cuisine also tempts one to be back.

Marari originates from "Mararikulam", one of the local fishing villages, where life still goes on much as it did a hundred years ago, with the men going out to sea each day to earn a living bringing in the daily catch. Completely new to the holiday maker. Marari offers endless miles of superb sand beaches backed by swaying palms, virgin territory where you can experience the local charm/and traditional

Keralan Hospitality at it's best.
